- House of Hydro is purposely designed in a way to support an animal's proprioception, we use therapeutic handling throughout our centre.

House of Hydro modalities include –

- **Canine Hydrotherapy** whereby the properties of water are used to achieve the required result, by specific swimming techniques relevant for the individual patient gaining ROM, therapeutic showering, aquatic massage and exercises performed on a moveable platform in the hydrotherapy pool.
- **Pulse Electro Magnetic Field Therapy (PEMF)** whereby electrical changes within cells are induced around the body and soft tissues to treat orthopaedic, neurological and musculoskeletal conditions.
- **K-Laser**, our Class IV device delivers specific wavelengths and frequencies of laser light to produce a therapeutic effect upon the body, in a non-invasive way to help control pain. It can accelerate tissue regeneration and healing as well as help to reduce painful inflammation, swelling and stiffness.
